^[1] EBITDA refers to net loss excluding income tax expenses, interest expense, interest income, depreciation and amortization expenses, but including all the professional expenses in relation to initial public offering in the fiscal year of 2021. EBITDA is a Non-GAAP financial measurement. Please refer to "Non-GAAP financial measurement".

^[2] GMV refers to gross merchandise volume, which is the total value of confirmed orders placed with us and sold through distribution model or drop shipping model where we act as a principal in the transaction regardless of whether the products are delivered or returned, calculated based on the listed prices of the ordered products without taking into consideration any discounts. The total GMV amount (i) includes GMV of products sold by Xingmu, (ii) excludes products sold through consignment model and (iii) excludes the value of services offered by us. GMV is subject to future adjustments (such as refunds) and represents only one measure of the Company's performance and should not be relied on as an indicator of our financial results, which depend on a variety of factors.

CEO & CFO Quote

Mr. Hao Liang, Boqii's Founder, Chairman and Chief Executive Officer commented, "We maintained strong topline growth in the second quarter of Fiscal 2022. As the company continues to expand its offering and drive customer engagement, number of active buyers grew by 23.5% year over year. In addition to our organic business growth, we announced a strategic partnership with Yongle Huazhu in October, to provide pet-friendly stays in its Blossom House hotels. This partnership further demonstrates our dedication to providing all-round user care. We look forward to working with more partners to enhance our service portfolio, better address growing needs in our user communities, and lead accelerated growth for all."

Ms. Yingzhi (Lisa) Tang, Boqii's Co-Founder, Co-CEO and CFO, stated, "We generated healthy revenue growth of 23.1% year over year this quarter. Continuous growth momentum from online marketing, information services, and other revenue once again exhibited the strength of our vertical platform and unique value propositions to other players in the industry chain. Our improved gross margin also demonstrated our ability to achieve high-quality topline growth. Looking ahead, we will remain committed to serving both our growing customer base and industry partners with seamless experience and elevated efficiency, and look forward to further strengthening our core capabilities to better capture the immense opportunities in the pet industry."

Fiscal Q2 2022 Financial Results

Total revenues were RMB282.1 million (US\$43.8 million), representing an increase of 23.1% from RMB229.2 million in the same quarter of fiscal year 2021. The increase was primarily due to the continued organic growth of our business.

Revenues (in million)	Three Months Ended September 30		% change YoY
	2021	2020	
	RMB	RMB	
Product sales	266.1	227.9	16.8%
· Boqii Mall	107.6	94.4	14.0%
· Third party e-commerce platforms	158.5	133.5	18.7%
Online marketing and information services and other revenue	16.0	1.3	1123.8%
Total	282.1	229.2	23.1%

Gross profit was RMB55.7 million (US\$8.6 million), representing an increase of 30.7% from RMB42.6 million in the same quarter of fiscal year 2021.

Gross margin was 19.7%, compared to 18.6% in the same quarter of fiscal year 2021.

Operating expenses were RMB96.8 million, representing an increase of 25.6 % from RMB77.1 million in the same quarter of fiscal year 2021. Operating expenses as a percentage of total revenues was 34.3%, compared to 33.6% in the same quarter of fiscal year 2021.

- **Fulfillment Expenses** were RMB29.6 million, representing an increase of 2.0% from RMB29.0 million in the same quarter of fiscal year 2021. Fulfillment expenses as a percentage of total revenues was 10.5%, down from 12.7% in the same quarter of fiscal year 2021. The decrease was mainly due to: (i) the improved utilization of warehouses by adjusting inventory mix; (ii) more cost-efficient China warehouse relocations; and (iii) lower delivery service prices through renegotiation with third-party delivery service providers.
- **Sales and marketing expenses** were RMB44.0 million, representing an increase of 40.3% from RMB31.3 million in the same quarter of fiscal year 2021. Sales and marketing expenses as a percentage of total revenue was 15.6%, compared to 13.7% in the same quarter of fiscal year 2021. The increase was primarily due to: (i) the increased personnel expense of RMB4.6 million related to the discontinued Covid government; (ii) the increased advertising expenses of RMB6.8 million for business expansion.
- **General and administrative expenses** were RMB23.2 million, representing an increase of 39.0% from RMB16.7 million in the same quarter of fiscal year 2021. General and administrative expenses as a percentage of total revenue was 8.2%, compared to 7.3% in the same quarter of fiscal year 2021. The increase was primarily due to: (i) share-based compensation expense of RMB3.3 million; and (ii) the increased professional fees of RMB3.4 million incurred after we became a publicly traded company.

Operating loss was RMB41.0 million (US\$6.4 million), compared to RMB34.2 million in the same quarter of fiscal year 2021.

EBITDA was a loss of RMB41.5 million (US\$6.4 million), compared to a loss of RMB23.4 million in the same quarter of fiscal year 2021.

Net loss was RMB44.5 million (US\$6.9 million), compared to net loss of RMB27.5 million in the same quarter of fiscal year 2021.

Adjusted net loss was RMB40.9 million (US\$6.3 million), compared to adjusted net loss of RMB35.8 million in the same quarter of fiscal year 2021.

Diluted net loss per share was RMB0.64 (US\$0.10), compared to diluted net loss per share of RMB3.06 in the same quarter of fiscal year 2021.

Total cash and cash equivalents and short-term investments were RMB339.4 million (US\$52.7 million), compared to RMB415.7 million as of June 30, 2021.

Safe Harbor Statement

This press release contains forward-looking statements. These statements are made under the "safe harbor" provisions of the U.S. Private Securities Litigation Reform Act of 1995. Statements that are not historical facts, including statements about the Company's beliefs and expectations, are forward-looking statements. Forward-looking statements involve inherent risks and uncertainties, and a number of factors could cause actual results to differ materially from those contained in any forward-looking statement. In some cases, forward-looking statements can be identified by words or phrases such as "may," "will," "expect," "anticipate," "target," "aim," "estimate," "intend," "plan," "believe," "potential," "continue," "is/are likely to" or other similar expressions. The Company may also make written or oral forward-looking statements in its reports filed with, or furnished to, the U.S. Securities and Exchange Commission, in its annual reports to shareholders, in press releases and other written materials and in oral statements made by its officers, directors or employees to third parties. Statements that are not historical facts, including statements about the Company's beliefs and expectations, are forward-looking statements. Forward-looking statements involve inherent risks and uncertainties. Further information regarding such risks, uncertainties or factors is included in the Company's filings with the SEC. All information provided in this press release is as of the date of this press release, and the Company does not undertake any duty to update such information, except as required under applicable law.

Non-GAAP Financial Measures

The Company uses non-GAAP financial measures, namely adjusted net loss, adjusted net loss margin, EBITDA and EBITDA margin, in evaluating its operating results and for financial and operational decision-making purposes. The Company defines (i) adjusted net loss as net loss excluding fair value change of derivative liabilities and share-based compensation expenses, (ii) adjusted net loss margin as adjusted net loss as a percentage of total revenues, (iii) EBITDA as net loss excluding income tax expenses, interest expense, interest income, depreciation and amortization expenses, (iv) EBITDA margin as EBITDA as a percentage of total revenues. The Company believes adjusted net loss, adjusted net loss margin, EBITDA and EBITDA margin enhance investors' overall understanding of its financial performance and allow for greater visibility with respect to key metrics used by its management in its financial and operational decision-making.

These non-GAAP financial measures are not defined under U.S. GAAP and are not presented in accordance with U.S. GAAP. As these non-GAAP financial measures have limitations as analytical tools and may not be calculated in the same manner by all companies, they may not be comparable to other similarly titled measures used by other companies. The Company compensates for these limitations by reconciling the non-GAAP financial measures to the nearest U.S. GAAP performance measures, which should be considered when evaluating the Company's performance. For reconciliation of these non-GAAP financial measures to the most directly comparable GAAP financial measures, please see the section of the accompanying tables titled, "Reconciliation of GAAP and Non-GAAP Results." The Company encourages investors and others to review its financial information in its entirety and not rely on any single financial measure.

Exchange Rate

This press release contains translations of certain RMB amounts into U.S. dollars ("USD") at specified rates solely for the convenience of the reader. Unless otherwise stated, all translations from RMB to USD were made at the rate of RMB6.4434 to US\$1.00, the noon buying rate in effect on September 30, 2021 in the H.10 statistical release of the Federal Reserve Board. The Company makes no representation that the RMB or USD amounts referred to could be converted into USD or RMB, as the case may be, at any particular rate or at all.
